To the People of Amherst County:

Were you at Sweet Briar last May for Amherst County Day? If so you will remember the good times we all had together ~~in spite of the rain~~, and you will surely want to come again. If you were not present, you can't afford to miss the big event this year.

You will like to see all the swimming, vaulting, and running by the school children, the lovely pageantry in the dell by Sweet Briar girls. You will like to have part in the debates, the original compositions, the musical contests. You will like to have lunch on the beautiful Sweet Briar campus. Wouldn't it be pleasant for all the Amherst County people to have a delightful out-door meal together once during the year?

Sweet Briar wants to know all of you better and Sweet Briar wants you to know the college better so that every year you will love it more and be prouder of it in every way. For this college in your county is known and loved all over the country from Texas to Massachusetts and from Virginia to California.

The exercises will begin at 11 o'clock and will end at 5. Bring a basket-luncheon with you, including a cup and spoon. Sweet Briar will furnish coffee, lemonade, and milk for the children. There will be special games for the little children and plenty of Sweet Briar students to care for them.

We have changed the hours this year to better suit those living at a distance. Last year we had 500 people, from Elon, Madison Heights, Sparta, Amherst, Sandidges and other places. This year we want to have every one in the county who can possibly manage to come.

To the Teachers of Amherst County:

Please encourage your students to enter into the competitions in composition, poems, and musical chorus. Urge them to write on subjects about which they know and on subjects of definite local interest. See that the material for the compositions and speeches is original and not a mere abstract of something read. For example, the composition on insect or animal life should be based on observations made by the pupil himself; the composition on "The Value of Home Economics in the Schools to Amherst County" should be carefully thought out and practical in its applications. A few poems from Stevenson or from some other good poet read to the class might stimulate to a really creditable imitation. If possible won't you present a musical chorus? The development of music and singing is greatly needed in American life.

The college hopes to make Amherst County Day at Sweet Briar an event of real interest to the county. Moreover we are desirous of helping the schools in every way. If you need speakers for community league meetings, for commencements, or for any other occasions, if you will let us know in time, we shall be glad to serve you when possible. If you need, for use in your school, information not obtainable in your libraries, we will willingly supply it if it is in our power to do so.

Please send all contributions &
papers to Mrs William B. Lee,
Sweet Briar, May 1st.

Amherst County Day at Sweet Briar

MAY ~~19, 1923~~ 17-1924

(In Case of Rain, May 26th) 24th

11 A. M. TO 5 P. M.
